Dear ASA Families,

ASA Home and School is sponsoring a Can and Bottle Drive! If your garages look anything like ours, you have an overflowing returnables bin. We would like to help you clear out that area of your garage and help ASA, at the same time! With the cancellation of Eat, Pray, Run this year, this is an opportunity for our community to help recuperate some of that fundraising loss. Ask your neighbors if they would like to donate some cans and bottles. Chances are, they'll be happy to get rid of them! Home and School volunteers will be behind the Middle School by the barn to receive your contributions this weekend. Once the return centers reopen, we will make the returns and report our success.

What: Can and Bottle Drive - Goal: 5000 cans and bottles!

Where: Behind ASA Middle School, near the barn

When: Saturday, May 16 10-11:30am and 4-5pm

Sunday, May 17 12-1:30pm

***\*\*Please be respectful of our volunteers and others dropping off contributions, wear a mask or face covering. Thank you!\*\****

God Bless,
