

May 26, 2020

Dear ASA Families,

We have almost reached the finish line! It is still hard to believe that we have not been together since March 12. When we end the school year next Friday, we will have “missed” 53 days of school together.. But because of the hard work of our teachers, parents, and most importantly our students, each of those 53 days counted as days of learning.

Under normal circumstances, we would continue our normal traditions of wrapping up the school year. Celebrations like graduation, 3rd grade breakfast and final Masses. Fun activities such as Field Day and the Preschool Picnic.

Like everything else this spring, the final week of school will look a little different. Here is how we will end the 2019-2020 school year at All Saints Academy.

### **Monday, June 1**

9:00 am - 4:00 pm Drop Off Middle School

Teachers will communicate expectations with their homerooms. No new content will be delivered. This will be a good day to get caught up, reach out to a teacher for extra help, complete missing assignments, etc.

Materials drop off at the middle school campus only for 4th - 8th grade from 9 am to 4pm. There will be 2 tables outside the main school entrance to drop off school textbooks, and library books. 8th grade students can return school instruments at this time also. If this time does not work for you please contact Miss Giroux to make arrangements [agiroux@asagr.org](mailto:agiroux@asagr.org). If weather does not permit tables will be just inside the main school doors.
