Personal Organization: Since organization is not a one size fits all process, we recommend taking time prior to school to figure out a way to help keep your child organized.

For **6th graders**, we recommend one accordion style folder pre-labeled with sections for Math, ELA, Social Studies, Science, Theology, Spanish, and Band.

For **7th and 8th grades**, we recommend **one** of the following suggestions:

- 2 OR 3 inch 3-ring binder pre-labeled with dividers for Math, ELA, Social Studies, Science, Theology, Spanish, and Band.
- 1 accordion style folder pre-labeled with sections for Math, ELA, Social Studies, Science, Theology, Spanish, and Band.
